- Filling instructions:**
1. If you need to register more business locations, use more CEIDG-MW forms.
 2. Box 2.8 for the place of business activity should be completed according to rules similar to those for box 11.8 of the CEIDG-1 form, except that the scope of activities carried out in a given place is described here. If you run out of space in the boxes - complete the CEIDG-RD form additionally.
 3. Unusual locations should be described with the maximum possible accuracy.
 4. If the place of business is outside of Poland, this information will not be entered in the REGON register. The completed application must be signed.
