12. Additional explanations and comments of the applicant

	<p><b>APPLICANT</b></p> <p>_____</p> <p>_____</p> <p>Applicant's first name, last name and signature<sup>14</sup></p>
--	---

Footnotes:

1. Information on the currently available materials of the poviát source and cartographic resource is provided by the body managing the resource.
2. Specification of the Application for access to the EGIB database has been provided in P1 form.
3. Specification of the Application for access to registers, files, indexes, lists created on the basis of the EGIB database is provided in the P2 form.
4. Specification of the Application for access to a map of land and buildings records is provided in the P3 form.
5. Specification of the Application for access to the registry of property and value is provided in the P4 form.
6. Specification of the Application for access to the GESUT data sets is provided in the P5 form.
7. Specification of the Application for access to the BDSOG data sets is provided in the P6 form.
8. Specification of the Application for access to the BDOT500 database is provided in the P7 form.
9. Specification of the Application for access to the main map is provided in the P3 form.
10. Specification of the Application for access to other materials is provided in the P8 form.
11. Only one purpose is allowed.
12. Act of 17 May 1989 Geodetic and cartographic law (Journal of Laws of 2016, item 1629, as amended).
13. The provision in the form of a periodic network service is applicable in the case of providing an orthophotomap or cartographic studies, created on the basis of relevant data bases, referred to in art. 4 par. 1a points 1-3, 7, 8, 10,
14. Handwritten signature, electronic signature, qualified electronic signature, signature confirmed by the ePUAP trusted profile or in the case of application submission using an IT system, referred to in the regulations issued on the basis of art. 40 par. 8 of the Act of May 17, 1989 - Geodetic and Cartographic Law, identifier enabling verification of the applicant in this system.

\* Optional information.

Explanatory notes:

1. Printed forms do not have to include colour codes.
2. The form fields can be expanded as needed. When filling in the paper form, the form can be supplemented with attachments containing information that could not be entered in the form.
