Declaration of a tenant regarding the material scope of the expenditure made from their own resources.

I declare, that:

- I am a person who, with the consent of the then owner, carried out a reconstruction or extension of a building owned by the State Treasury or being under the ownership of a local government unit, resulting in the separation of premises, and as proof of which I submit the originals / certified copies of documents held by me, i.e.
- a permission to convert,
- a legal title to the premises created after the conversion,
- a technical drawing of the premises to be adapted.
- Furthermore, I declare, that:
- as part of the expenditure necessary to create the housing premises in question, the following construction works have been carried out:
